We understand that it is against the rules for anyone other than the team members to design, build or present the long-term problem solution.

We understand that any team member who was ever on our team must remain on our roster and will count as a team member.

We realize that we may get instruction in various areas of design and construction or in performance techniques, but know that these instructions may not be specific to the long-term problem solution. By signing below, we testify that we have followed all of the rules regarding outside assistance. If there are any exceptions, we have listed those.

WE HAD HELP WTH: (Please describe any assistance with **your specific problem solution** if you had any. State **NONE** if no assistance was received. If you used an item(s) from a previous solution, such as taking from an "OoTM Closet" as mentioned in the program guide, please list the item and explain what modifications were made.

Also, please list names of former team members no longer on your team (if the roster exceeds seven) and when they last worked with the team.
